Exclusive E-auction for Non-Power consumers (including CPPs) will be conducted as per the existing scheme of Exclusive E-auction under some modified modalities as under for operative convenience and to facilitate 'ease of business':-

- Applicable price on the date of dispatch of coal would be variable in line with the changes in the notified price of CIL, i.e. the percentage increase over the Reserve Price arising out of price revision, if any, on the date of dispatch. However, any change in the methodology/guiding principle for determining the reserve price in subsequent days would not be applicable for revision of current method of determining the reserve price, except for such change in the notified price as mentioned above.
- Bidders will have to bid for source-wise, grade-wise quantity in aggregate and month wise coal value is to be deposited as per extant practice.

- The validity period of lifting against successful quantity shall be 6 months from April'21 (April'21 to Sept'21), i.e., successful bidders have the option of choosing the monthly quantity. For Rail supply, the validity of taking allotment will be within 30 days of the last date of paying installments of coal value for the month by buyers and supply will be made as per extant railway rules.
- Successful bidders, after winning bid quantity in the auction, shall have to give a declaration to ECL, distributing the aggregate quantity among April'21 to Sept'21 (6 months) within 7 days of auction. However, the distribution of lifting program can be recast if needed based on mutual consent of buyer and seller.
- In case of non-submission of said distribution of the quantity by the successful bidders, ECL will distribute the quantity booked in equal monthly installments of 6 months.
- The successful bidder will be required to deposit coal value against the scheduled quantity of the month with the concerned coal company on monthly basis in two instalments as per bidder's choice. The first instalment to be deposited within 10 working days of start of the month and the second instalment by the end of the month. Such payments shall be made through e-transfer (RTGS/NEFT) in favour of the concerned coal company payable along with the debit advice issued by the bank certifying that e-transfer has been made by debiting the account of the concerned consumer/ bidder. However dates of payment can be rescheduled by the coal company for the first month of the e-auction period if needed.
- In case of default on part of Bidder to deposit coal value of any month, the proportionate EMD shall be forfeited. However, the monthly scheduled quantity can be revised on mutual consent of Buyer and Seller.
- Bidders who have already registered for participating in the earlier phases of Exclusive e-Auction for Non-power consumers (including CPPs) conducted earlier shall be eligible to participate subject to deposition of required EMD.
- All interested registered consumers shall be required to deposit in advance non-interest bearing EMD with respective service provider for such an amount as would cover 10% of the reserve price (of e-Auction concerned) in terms of basic price of coal exclusive of taxes, duties and other charges as applicable before participating in Exclusive e-Auction.
- The bidder shall have the option to furnish the EMD in the format of Bank Guarantee also, which shall be to the tune of 20% of the reserve price of Exclusive e-Auction for the intended bid quantity in terms of Basic price excluding taxes, duties and other charges.
- The validity of the Bank Guarantee shall be throughout the pendency of lifting i.e. from starting date to the last eligible date for lifting of coal plus 90 days, which will be extendable as desired by ECL in case of rail mode.
- The bidders who have applied for CTO: The bidders who have applied for renewal of CTO of the respective plant and yet to receive the valid NOC from the respective State Pollution Control Board are required to furnish the proof of application to the State Pollution Control Board along with an affidavit declaring that the copy of original certificate will be submitted within 3 months from the date of expiry of CTO or validity period for lifting coal whichever is earlier. However, the bidder along with proof of application to the State Pollution Control Board needs to submit the copy of affidavit, duly notarized, if it is already submitted for participating in the earlier phases of Exclusive e-Auction.

Bidders who are yet to apply for renewal of CTO which will expire during the pendency of lifting: Those bidders shall have to submit an undertaking (in form of affidavit duly notarized) stating that they will submit the copy of application documents for renewal of CTO to the respective State Pollution Control Board and the original CTO will be submitted within 3 months from the date of expiry of the CTO or end of validity period for lifting coal whichever is earlier.

- In case of deposition of security deposit in the form of BG, the successful bidders shall be depositing applicable full coal value against the monthly distributed quantity. The BG shall remain as security with Coal Company, in case of default in lifting the coal, company shall encash the applicable amount from the BG giving 10 days' notice to the successful bidder, and in case the amount under encashment is paid by the bidder within 10 days the BG shall not be encashed. Otherwise, the BG shall be encashed in full irrespective of amount of forfeiture. However, the bidders shall have the option to deposit fresh BG to take back the security deposit available with Coal Company. In case of non-deposition of fresh BG the encashed amount will remain as cash security deposit to coal company.
- Regarding "Consent to Operate" from State Pollution Control Board, following may be noted:-
  - (i) Wherever the State Pollution Control Board is not specifying the validity of the certificate issued by them to the unit or in other words have issued the open ended certificate such a certificate will be considered acceptable and intimation will be sent to the authority responsible for issuance of Pollution Certificate in the State.
  - (ii) For the purpose of registration consumers who are yet to receive Pollution Certificate in spite of having applied for the same may furnish evidence by producing certified copy of payment receipts /acknowledgements etc. for such applications made to the pollution control authority. However, before participating into the bidding they will have to produce either the valid Pollution Certificate or a "No Objection" for consuming coal issued by the Pollution control Board/ authority to which application for pollution certificate had been made.
  - (iii) The bidders whose Consent to Operate (CTO) has expired or is going to expire within the pendency of lifting and who are yet to receive valid NOC from the respective State Pollution Control Board against their renewal of CTO application already made are required to furnish the proof of application to the State Pollution Control Board along with an affidavit that the copy of Original Certificate will be submitted within 3 months from the date of expiry of CTO.
  - (iv) Those bidders whose CTO will expire during the pendency of lifting and who are yet to apply to the respective State Pollution Control Board for their renewal of CTO will submit an undertaking (in form of affidavit duly notarized) stating that they will submit the copy of application documents for renewal of CTO to the respective State Pollution Control Board under an affidavit declaring that the original CTO will be submitted within 3 months from the date of expiry of the CTO.
- **It may be noted that by participating in the Exclusive e-Auction, if applicable, the bidder shall be deemed to have undertaken that they will ensure the compliance of all the MoEF stipulations with regard to usage of coal in their respective Plants, absolving ECL from all the responsibility in this regard.** The registered Bidders shall be required to record their acceptance after login, of the above undertaking along with Terms & Conditions of the e-Auction before participation in the actual Bidding Process.

- It may be noted that the qualified bidders shall be required to submit an additional undertaking affirming that coal will be utilized for their EUP only, along-with application for booking for each month.
