The Special Forward E Auction for Power Producers (excluding CPPs) of 2021-22 will be conducted as per the terms and conditions of the "Special Forward E Auction scheme for Power Producers" of CIL. However, the modalities for Special Forward e-Auction will stand modified to the following extent:

1. Applicable price on the date of dispatch of coal would be variable in line with the changes in the notified price of CIL, i.e. the percentage increase over the Reserve Price arising out of price revision, if any, on the date of dispatch. However, any change in the methodology/guiding-principle for determining the reserve price in subsequent days would not be applicable for revision of current method of determining the reserve price, except for such change in the notified price as mentioned above.
2. Bidders will have to bid for Source-wise, grade wise quantity in aggregate and month wise coal value is to be deposited as per extant practice.
3. The validity period of lifting against successful quantity shall be 03 months from Sept.'2021 to Nov.'2021 and successful bidders have the option of choosing the monthly quantity. For

Rail supply, the validity of taking allotment will be within 30 days of the last date of paying installments of coal value for the month by buyers and supply will be made as per extant railway rules.

4. Successful bidders, after winning bid quantity in the auction, shall have to give a declaration to ECL, distributing the aggregate quantity in 03 months (Sept.'2021 to Nov.'2021) within 7 days of auction. However, the distribution of lifting program can be recast if needed based on mutual consent of buyer and seller.
5. In case of non-submission of said distribution of the quantity by the successful bidders, ECL will distribute the quantity booked in equal monthly installments for 3 months.
6. For road mode, the successful bidders after said auction will be required to deposit coal value for supply in a month with the concerned coal company in two installments as per their choice. The First installment to be given within 10 working days of the respective month and the second installment is to be paid by successful bidder within last working day of the month. However, for any rescheduling of payment by successful bidders for the first month after auction, if needed, ECL may decide the dates for payment installments in consultation with successful bidder.
7. The successful bidder will be required to deposit coal value against the scheduled quantity of the month with the concerned coal company on monthly basis in two installments as per bidder's choice. The first installment to be deposited within 10 working days of start of the month and the second installment by the end of the month. Such payments shall be made through e-transfer (RTGS/NEFT) in favour of the concerned coal company payable along with the debit advice issued by the bank certifying that e-transfer has been made by debiting the account of the concerned consumer/ bidder. However dates of payment can be rescheduled by the coal company for the first month of the e-auction period if needed.
8. Bidders who have already registered for participating in the earlier phases of Special Forward e-auction conducted earlier shall be eligible to participate subject to deposition of required EMD.
9. As per clause 4 of Special Forward e-Auction Scheme for Power Producers , applicable rate of EMD will be 10% of reserve price of e-auction in case Bank Draft/RTGS/NEFT/e-transfer and 20% of reserve price of e-auction in case of Bank Guarantee.
10. The validity of the BG shall be at least throughout the pendency of lifting i.e. from starting date to the last eligible date for lifting of coal, plus 45 days in case of Road. The validity of the Bank Guarantee shall be throughout the pendency of lifting i.e. from starting date to the last eligible date for lifting of coal plus 90 days, which will be extendable as desired by ECL in case of rail mode.
11. The bidders who have applied for CTO: The bidders who have applied for renewal of CTO of the respective plant and yet to receive the valid NOC from the respective State Pollution Control Board are required to furnish the proof of application to the State Pollution Control Board along with an affidavit declaring that the copy of original certificate will be submitted within 3 months from the date of expiry of CTO or validity period for lifting coal whichever is earlier. However, the bidder along with proof of application to the State Pollution Control Board needs to submit the copy of affidavit, duly notarized, if it is already submitted for participating in the earlier phases of Special Forward e-Auction. Bidders who are yet to apply for renewal of CTO which will expire during the pendency of lifting: Those bidders shall have to submit an undertaking (in form of affidavit duly notarized) stating that they will submit the copy of application documents for renewal of CTO to the respective State Pollution Control Board and the original CTO will be submitted within 3 months from the date of expiry of the CTO or end of validity period for lifting coal whichever is earlier.

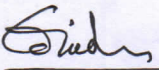

12. In case of deposition of security deposit in the form of BG, the successful bidders shall be depositing applicable full coal value against the monthly distributed quantity. The BG shall remain as security with Coal Company, in case of default in lifting the coal, company shall encash the applicable amount from the BG giving 10 days' notice to the successful bidder, and in case the amount under encashment is paid by the bidder within 10 days the BG shall not be encashed. Otherwise, the BG shall be encashed in full irrespective of amount of forfeiture. However, the bidders shall have the option to deposit fresh BG to take back the security deposit available with Coal Company. In case of non-deposition of fresh BG the encashed amount will remain as cash security deposit to coal company.
13. **It may be noted that by participating in the Special Forward e-Auction for Power Producers, the bidder shall be deemed to have undertaken that they will ensure the compliance of all the MoEF stipulations with regard to usage of coal in their respective Power Plants, absolving ECL from all the responsibility in this regard.** The registered Bidders shall be required to record their acceptance after login, of the above undertaking along with Terms & Conditions of the Special Forward e-Auction along with all the amendments before participation in the actual Bidding Process.
