Annexure

Relevant conditions for Validity period and schedule of lifting:

The total validity of period of lifting of coal under the Special Spot auction would be up to March'17. Following is proposed in respect of scheduling of lifting and validity:

1. The successful bidder and the coal company would be mutually deciding the Monthly lifting schedule.
2. Successful bidder would be required to make the payment for Monthly Schedule quantity by the last day of the preceding month. However, the last instalment of payment has to be made by 7th February, 2017 to allow clear forty-five days for lifting of booked quantity of coal after issuance of delivery/sale order.
3. For each value paid order separate sale/delivery order shall be issued by the coal company. Validity period for completing lifting shall be 45 days with provision for extension till 31st March, 2017 in case of road despatch.
4. In case of rail despatch, rail programme shall be submitted by the successful bidder in sync with the mutually agreeable delivery schedule, by the last day of the preceding month. The last such programme would be submitted on or before 7th February, 2017, upon which Coal Companies shall be issuing consents to Railways.
5. Validity period for making payment to seek allotment of rake/rakes is 45 days from the date of issuance of consent by the coal companies.
6. Once the rake is allotted the validity for loading is guided by the prevailing Railway Rules

The other terms and conditions of the Special spot e-auction in respect of Eligibility, Registration, Notification, Bidding process, Post e-auction process, Refund etc. will continue to be in line with Existing Spot e-auction scheme. However, in case of forfeiture in respect of lifting, the account would be reckoned at the end of 31't March, 2017.
